## **COVID-19/CORONAVIRUS PRECAUTIONS**

We take your health and safety seriously, particularly during this challenging time of the COVID-19/Coronavirus. Likewise, because this is our second home, we would like to stay safe and healthy as well.

Like many states, Oregon has emerged from the virus in phases, and every county is approaching this differently. Our condo is located in Tillamook County; officials reopened the ability to rent short-term vacation rentals on May 29. We chose not to reopen until July 7 to allow the virus more time to settle down, and to allow us more time to prepare for your arrival and to train our housekeeping staff on the County and CDC precautions.

### **Tillamook County Regulations**

1. We must have names and contact information for each guest to provide [contact tracing](#) in the event of an outbreak.
2. We must contact you within 48 hours of your arrival to ask if anyone in your party had a fever, flu or cold symptoms in the last 10 days, or been exposed to someone who tested positive for COVID-19 in the last 14 days; if so, your reservation must be rescheduled.
3. Guests must follow social distancing when outside the condo.
4. We must post [COVID-19 CDC guidance](#) in our unit.
5. We must provide a minimum 24-hour turnaround time between guests.
6. We must implement and adhere to Oregon Health Authority and [CDC cleaning guidelines](#) for best cleaning practices.

### **Our Commitment to You**

1. Our cleaning staff will adhere to CDC guidelines by wearing appropriate PPE, and cleaning and disinfecting surfaces with an approved EPA disinfectant. We pay close attention to high-touch surfaces such as lockboxes, light switches, doorknobs, handles and cabinet surfaces, keyboards, bathroom fixtures, equipment screens, remote controls, coffee makers etc.
2. All linens will be changed out and laundered between guests, including pillow covers and mattress pads. If you use extra bed linens, please leave them out on the bed upon departure so they can be laundered. Please leave your used towels in a plastic bag in the bathtub; bags can be found in the hamper in the master bath.
3. *We require 48 hours between guests.* Our housekeeping staff will not enter the unit for 24 hours after guest departure. Staff will then clean the unit with doors and windows open, and another 24 hours will pass *after the cleaning* before we allow new guests to check in.
4. Oregon Governor Kate Brown's [Executive Order 20-30](#) outlines Oregon's approach to COVID-19. [Statewide Mask, Face Shield, Face Covering Guidance](#) is effective July 1. We will leave 4 masks in the unit for our guests to use if you forget your own. Please do not use them if you don't need them as they are difficult to find.
5. We will have hand sanitizer for use during your stay; please do not take the container home.

Thank you for choosing to vacation at our condo in Neskowin. We are confident that by observing these precautions you will have a pleasant and satisfying stay. We hope to see you again soon.

*~ Vicki and Steve Walker ~ July 3, 2020*
